

Burn Survivor Sponsorship Application

The Fire & Burn Foundation is pleased to support Burn Survivors on their road to recovery. Limited funding is available for assistance with expenses related to burn survivor support services offered outside of our service region of Riverside and San Bernardino Counties. In order to ensure we can obtain the best pricing available, requests must be made 60 days prior to the event. (Requests submitted with less than 60 days from the event date will be evaluated on a case by case basis.) If travel assistance is required, please submit any restrictions you may have with this request (ie: must fly out of Ontario, must arrive to destination between 3:00 PM – 5:00 PM, etc.)
